Hi Ladies,

I'm sorry for the delay in responding. The LFCS worker seeing this client confirmed with her she would like her case to be transferred to Bethany.

Thanks,
Kristen

Yes, once I get the OK from Kristen, I can transfer her in the system. Who is the case manager at Bethany that she needs to be assigned to?

The client's name is [REDACTED]. Emily, I guess you will need to transfer her to Bethany Christian Services after LFCS is able to speak with her and confirm her desire to receive A2A services through Bethany? Please tell me how to proceed on my end.

Thanks,
Carrie

I have not been made aware of this situation yet. Carrie, can you let us know the name of the client so I can check with her LFCS worker regarding the transfer?

Another note on this, LFCS should not discharge this client. If I can get the client name, I will reassign her in the system to Bethany.

Kristen – Are you able to provide this client's name?

Subject: Client Services Question

Emily,

Bethany is seeing a client that is currently enrolled in A2A with Lutheran Family and Children Services. The client is telling Bethany she would like to continue A2A services at Bethany. From what she has told her CM, LFCS has given her assistance in February. If this client ends up transferring services to Bethany, they would inherit her one month of utility or housing assistance help from LFCS in February, correct? That's the way I understand the contract but wanted to make sure.

Thanks!

Carrie
